

Sinox SXi741MFI USB Adapter safety check:

This report is a description of a simple conformity check for CE requirement of the following product:

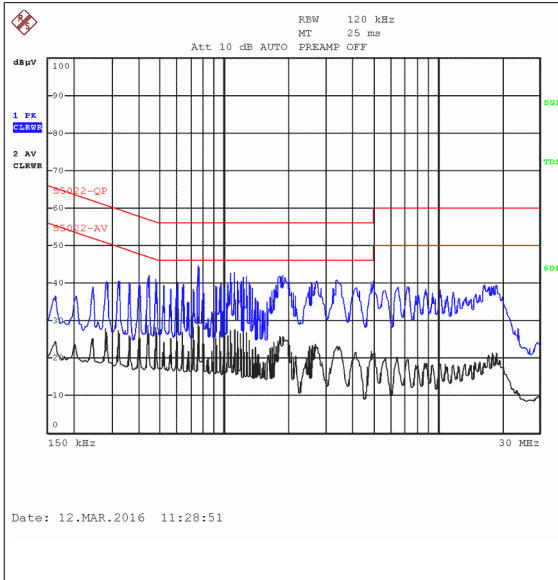

The following requirements from EN 60950-1: 2006 +A1, A11, A2, A12 and DS 60884-2-D1: 2011 have been evaluated.

	Status	Note
Marking:	-	
- Durability:	Pass	Rubbing with a cloth soaked with petroleum spirit.
- Data*	(Pass)	sample did not have mains power rating
- CE + WEEE+ RI	Pass	
HV test	Pass	3kV mains to secondary
Plug pin torque test	Pass	0.4Nm
Plug size	Pass	DS 60884-2-D1: 2011;
PCB creepage/clearances	Pass	Reinforced requirements
Securing of wires	Pass	
Flammability of cabinet	Pass	Minimum V-1
Idle power	Pass	Max. 0.3W; measured 0.28W

* data;
 Manufacturer or importer name
 Mains Voltage
 Mains Frequency
 Mains Power
 Output data

EMC test:

Only conducted emission measured. All values under limits with a good margin.
